RAVE REVIEWS

Experience-led brands that celebrate music don't come better than Sounds Familiar. You're not just going to dance, you're not just going to lose your voice belting out the hits and you're not just going to get into heated conversations about noughties one-hit-wonders (even if you know you're right), you're going to have a hell of a time from the first round until the last. It's fun, it's friendly and it's belting party for the music-obsessed.

KATIE KIRWAN, DESIGNMYNIGHT.COM

I can't recommend Sounds Familiar highly enough. The team created a perfect bespoke quiz. We're already planning on making this an annual event.

SAM, ITV

Sounds Familiar are the best at what they do. With seamless organisation both before and during their events, you always know you are in safe hands when it comes to this team. They know how to get the party started. We've had countless music quizzes run by then which always go perfectly and are amazing fun!

CARLA, SPOTIFY

Just wanted to say a massive thank you to the team for putting on such an epic night last night! Everyone had so much fun, and that is thanks to your brilliant team and amazing hosts. Feedback has been that everyone feels like they got to know new people on the team, and they feel more connected and bonded, which is what I was hoping to get out of the experience.

SONIA, CHANNEL 4

Sounds Familiar never fails to blow our socks off! It's a real fun, team building event where everyone can join in, and the team are great - full of energy! Highly recommend - always a smashing night out.

ASHLEY, WHALAR

Sounds Familiar Music Quiz is the best event out there. As a participant it is great fun, as a host, they are a dream to work with. In fact, "work with" doesn't do them justice as they take care of everything!

CRAIG, ADELICIOUS

We are back already to ask if you can host a Christmas celebration for us! This has been a massive lift for our teams. We can't get enough!
