ABOUT SOUNDS FAMILIAR

What Is Sounds Familiar Music Quiz?

- With nearly 20 years on the live circuit, Sounds Familiar has become a much loved, cult favourite brand with audiences and corporate clients across the UK (and beyond!)
- The format's simple. We play long music clips across themed rounds. You jot down the artist and songs. Easy to play, impossible not to sing along.
- Our quiz rounds are creative, cheeky and full of energy, guaranteed to get everybody bonding over the bangers.
- We include a wide range of chart toppers from the 60s-current day which means the whole team can get involved. It's the party your boss actually wants to go to.

Our USPs

- Sounds Familiar isn't about trivia, it's 100 killer tunes packed into 1 epic quiz.
- Team names are mocked in beautiful English tradition!
- Our crew pick up the answer sheets and keep the leaderboard. No swapping sheets or awkward silences. The event flows from the moment you step in the room.
- We have prizes for winners, runners up, third place, losers AND Best Team Name!
- We create and curate funny, tongue-in-cheek themed rounds giving the content an extra spark you won't find anywhere else.
- Oh, and we're the only music quiz to have played Glastonbury three times!

Why We Are Perfect For Your Event

- Whether you're 20 people or 2,000, we know how to bring the house down.
- Expect an unforgettable atmosphere that brings teams together in minutes, no matter the age range.
- Perfect for celebrating wins, boosting morale or simply because you deserve a party.
- Our team has delivered thousands of private bookings to clients who come back to us over again. Trust us, you're in safe hands!

LOGISTICS

Timings

- We'll tailor the quiz to fit neatly into your event schedule, running anywhere from 1–3 hours. We do recommend allowing at least 1.5 hours to get a good dose!
- Quizzes with four rounds or more include a half-time break (because even rockstars need a breather).
- Our crew will arrive around an hour before start time to load in and set up.
- Not sure where the quiz works best in your running order? Just ask us. Our booking team is happy to advise. No question too small!

Venue Hire

- We work with a hand-picked selection of trusted partner venues and can suggest options with availability and minimum spend details.
- If one suits, we'll connect you directly to the manager who can sort food and drinks packages and help with any venue-specific questions.
- Venues are subject to availability, and any minimum spend is separate to our fees.
- If our partner venues don't work for you, no problem! You're welcome to source your own space, we can pretty much play anywhere.
- We can bring along our PA system for an additional cost or even run it from your office!

Tech

- If you're booking your own venue, we can liaise directly with them about any tech bits.
- All we really need are speakers and a screen/monitor (with HDMI).
- If the venue doesn't have these, no stress, we can hire in our own kit for an additional fee.
- All our equipment is fully PAT tested, and we hold full PLI and PRS licences.

PACKAGES, FEES & NEXT STEPS

- We provide hosts, DJs, crew, colour booklets, visuals, props, prizes, 100 killer tunes in 1 epic quiz, including a Dance Off (for those brave enough), DJing for up to 30 mins after the show and an unforgettable private party hosted by experts with 20 years experience.
- We can host from 20-2000 (or more). Fees are based on the number of attendees and start at £1100+VAT for up to 40 people, increasing from there. *Rate as of Oct 2025 and may be subject to change.
- Not in London? That's fine! We travel all over the UK (and sometimes out of it) to bring you the party! We will let you know any potential cost for travel/accommodation but we will factor in to our quote where possible.
- We can DJ for longer if required for an additional cost. Ask us for more info.

Alternative Options for Smaller Groups

- If you have a small group or department social why not book a block of tickets at one of our scheduled public events instead of private hire?
- You'll be sat together and we'll link you with the venue for any extras (food, drinks, etc).
- Email us for group availability, locations and pricing.
- If your heart is set on private hire but your budget is a bit tight, drop us a message as we may be able to work something out and will put together options for you.

Christmas Bookings

- Epic festive visuals, booklets, silly seasonal prizes, props and all the Christmas classics you secretly love, yes, we're looking at you, Slade!
- Sounds Familiar's private Christmas events are the stuff of legend and demand is huge with bookings starting as early as January.
- Our record for Christmas events over December is 48 shows! If you want to help us beat that record, get in touch!

Charity Events: We offer special rates, just get in touch for details.

Bespoke Extras: We can tailor the quiz for an additional fee.

NEXT STEPS

- Email us on bookings@soundsfamiliar.co or info@soundsfamiliar.co
- Tell us how many attendees, location, preferred date and timings (approx. is fine).
- Let us know whether you need us to help with contacting our partner venues.
- Our bookings team will help with any questions no matter how big or small.
- When you want to go ahead, we'll send a contract and invoice, confirming your date.

RAVE REVIEWS

“Experience-led brands that celebrate music don’t come better than Sounds Familiar. You’re not just going to dance, you’re not just going to lose your voice belting out the hits and you’re not just going to get into heated conversations about noughties one-hit-wonders (even if you know you’re right), you’re going to have a hell of a time from the first round until the last. It’s fun, it’s friendly and it’s belting party for the music-obsessed.”

— Katie Kirwan, Designmynight.com —

“Sounds Familiar are the best at what they do. With seamless organisation both before and during their events, you always know you are in safe hands when it comes to this team. They know how to get the party started. We’ve had countless music quizzes run by then which always go perfectly and are amazing fun!”

— Carla, Spotify —

“Sounds Familiar Music Quiz is the best event out there. As a participant it is great fun, as a host, they are a dream to work with. In fact, “work with” doesn’t do them justice as they take care of everything!

— Craig, Adelicious —

“I can’t recommend Sounds Familiar highly enough. The team created a perfect bespoke quiz. We’re already planning on making this an annual event.”

— Sam, ITV —

“We are back already to ask if you can host a Christmas celebration for us! This has been a massive lift for our teams. We can’t get enough!”

— Daisy, Acast —

“Just wanted to say a massive thank you to the team for putting on such an epic night last night! Everyone had so much fun, and that is thanks to your brilliant team and amazing hosts. Feedback has been that everyone feels like they got to know new people on the team, and they feel more connected and bonded, which is what I was hoping to get out of the experience.”
