FAQS

Does the hire fee include venue hire or food and drink as well?

Any venue hire or minimum spend requirements would be additional and would be set by the venue, same with food and drink. Our hire fee does include a 3 hour quiz, prizes, quiz packs, pens, inflatable props, SFMQ dedicated booking team, event staff, confetti and over 100 wall to wall bangers. We think you'll love it!

Can you arrange food and drinks?

The venue will be best placed to help you to arrange food and drinks and if it's one of our partner venues we will put you in touch with them directly. They know how all that stuff works better than us, we're no use on that level, we just eat and drink music (and pizzas, and beer... and wine)

Can we work with you on the quiz and make suggestions of what we want included?

We find mostly everyone is more than happy with one of our amazing SFMQ quizzes! If it's a case of 'a lot of 80s pop' or 'power ballads or 'please can you include an Indie round' then we'll be happy to do that. If you're looking for something more tailored such as certain songs, specifically written or themed rounds then this will fall under our Bespoke Service. Please do get in touch to find out more info.

We want to book SFMQ for our office party but have a limited budget, what can we do?

Get in touch and let's see what we can do to help. If private hire is out of your budget we can let you know if there are any residencies around the time you're looking to book. If you choose to attend a residency instead of private booking, we can make sure you're all sat together and we know you'll have an awesome time.

Can I book you for my birthday/wedding/stag/festival?

You sure can! Just drop an email to bookings@soundsfamiliar.co with as much info as you can and we'll send you more details.

We want to put a charity night on to raise money for our Grandad's allotment shed repairs.

Would you do this for free?

As we get so many charity requests it's sadly impossible for us to do all of them (otherwise we'd end up being a charity ourselves), but if it's a cause close to our hearts then we'll see what we can do to help! Sorry Grandad!
